Maybe a part of the reason of my dislike in this manga. Actually, before I started to read this, I just finished Tonari no Kaibutsu-kun. At first, the latter didn't impress me much. But after reading this L-DK, I realized how Tonari has much more sense and realism that I'm unable to appreciate before. LOL.

If you liked L-DK or Nodame Cantabile, you may like the other one. Both series evolve around the love story of schoolmates living next to eachother. Nodame has more comedy and slice of life part in it. L-DK is smoother and maybe more dramatic than Nodame. But both series have romantic couples going to the same school and living next to eachother.

For starters, I am a very big lover of this manga. It isn't exactly a very smart story but what drove the entire plot of the manga had been random cuteness and a swooning chemistry between the leads. While the lead actors here are cute they fail to make me love them and rather came off as annoying.
